

Price List - Laser Engraved Acrylic Nameplates

All plates are UV-resistant acrylic based laminate suitable for both indoor and outdoor use. 3M 468MP adhesive is applied to to back of each plate and offers outstanding adhesion on metal and high surface energy plastics. Note that lines of text do not effect price but smaller sized plates will be limited to one single line of text. Standard plates are Matte Black, text engraves white. Typical lead time of 3-days from order to shipment. Additional colors available upon request, lead times will vary for custom colors.

Height	Plate Length	Price (each)	Height	Plate Length	Price (each)
